# ARTeria Booth

---

**Wed Apr 19, 2023 – Tue May 2, 2023**

Ever wanted to learn how to back up a cherry-picker? Talk down a panicked artist? Help coordinate a multimedia extravaganza in the middle of the desert? This is the one for you - man the info booth at the ARTeria, help to curate the participants and protect the art! If you wanna get in with the art, then here's where you start.

# Box Office

---

**Wed Apr 19, 2023 – Fri Apr 28, 2023**

The AfrikaBurn gate, known as Die Hek, is the first interaction budding burners have of the Burn, after leaving the long dirt road that is the R355 into Tankwa Town. The Box Office crew are the ticketing part of the Hek Force - They scan tickets, issue vehicle passes, check ID's, register kids and link your name to your band. All while smiling at you through a (mostly) see through window.

# Chillaz

---

**Mon Apr 24, 2023 – Sun Apr 30, 2023**

Heita! Hola! Hi! CHILLAZ launched at AB 2022 and was an absolute game-changer! The epicentre of the Off Centre hub is looking for crew to take turns during the event to help keep the space shipshape and MOOP free, to field queries from and book slots for those who wish to grace the stage and to be helping hands to the star performers. No technical knowledge required. Please sign up and join in the fun!

# Collexodus

---

**Sun Apr 30, 2023 – Mon May 1, 2023**

Ever ended up with waaaay too much food, drink and stuff at the end of the burn and no clue what to do with it? Collexodus is your solution. We do a collection on the Sunday for surrounding communities (and DPW who still have a long slog in the desert).

Volunteers are needed for the drop off at the Greeters Station, and for ride-alongs on the drive by camp to camp collections on Sunday & Monday.

# Die Hek (Gate)

**Fri Apr 21, 2023 – Fri Apr 28, 2023**

The AfrikaBurn gate, known as Die Hek, is the first interaction budding burners have of the Burn, after leaving the long dirt road that is the R355 into Tankwa Town. The gate crew, or “Hek Force” as we call them, control all traffic coming into and out of Tankwa Town. It’s at the gate that Burner cars are checked for stowaways and things that could cause matter out of place (MOOP). We are looking for people to help us make a positive impact on everyone’s experience the minute they leave the default world and enter the real world. This requires doing all the checks and ensuring that everyone arriving at the gate has what they need in order to enter the event without a hitch. You will be required to do some traffic control during your shift, and a lot of friendly orientation – but believe us, the energy is electric, and your shift will be over before you know it.

# Die Yskas

---

**Mon Apr 24, 2023 – Sat Apr 29, 2023**

Literally the coolest place at AfrikaBurn! A large shady tent. No, not shady like your neighbour; shady as in out of the sun. And if that is not enough for you, you can spend some time in the refrigerated truck. The only thing for sale at the Burn is ice. (Your soul is your own affair) Daily between 11:00 to 13:00. From Monday the 24th to Saturday the 29th. BUT in order to move a couple of tonnes of ice, we need some help.

Here is how you can help:

1. Desk Jockey's - folks responsible for taking money and keeping a tally. VERY basic system
2. Ice Slingers - a shift for the more energetic, physical types. Since ice is cold, gloves will be provided.

# DMV Registration

---

**Sun Apr 23, 2023 – Sat Apr 29, 2023**

Love the smell of LRP in the morning?

Enjoy dressing up as a traffic cop and giving people tickets?

You are just the kind of person who'd love doing time with our Department of Mutant Vehicles Wranglers. We have some slots for mutant vehicle registration available - loads of fun meeting and greeting the mutant vehicle builders - sign up for FUN in the SUN

# Greeters

---

**Sun Apr 23, 2023 – Fri Apr 28, 2023**

A fun job for all and a vital role. The Greeter's mission is to enthusiastically greet each participant (first time or experienced) home, ensure that they are educated and prepared, orientate them, answer their questions and set the vibe for their amazing experience at AfrikaBurn. As Greeters we are the people responsible for not only welcoming participants to AfrikaBurn but we also help them with map and camp information and we try to send them off in the right direction. It's possibly one of the most enjoyable volunteer roles at the event (actually the INvent) and very often we greet our friends and family cos that's how it works!

# Leave No Trace

**Wed Apr 26, 2023 – Sun Apr 30, 2023**

The Tankwa Karoo is a pristine environment, but all the stuff that hits the ground has to be removed, and despite the fact that AfrikaBurn is a Leave No Trace event, some people don't read – or sometimes forget – the manual. Which is when MOOP happens. (Matter Out Of Place)

Got some karma to work off?

Sign up for a morning or afternoon Leave No Trace shift and have fun while helping folks keep it tidy

# Lost & Found

---

**Mon Apr 24, 2023 – Mon May 1, 2023**

An absolutely wonderful way to bring massive joy to people by reuniting them with their lost things (and giving them some flack for losing it in the first place).

Shifts involve manning the booth, receiving and logging lost items and (the best part) reuniting people with their items.

# Rangers

---

**Mon Apr 24, 2023 – Sun Apr 30, 2023**

Rangers are Burners who volunteer their time at AfrikaBurn to look after the safety and well being of everyone in Tankwa Town. To be a Ranger you need patience, empathy, good communication skills, and a positive attitude - you also need to have attended Ranger training. We will teach you how to help your fellow Burners by mediating conflict, providing information, calling for a medical response, or just being a friendly face in the desert.

Rangers are there to make the AfrikaBurn community feel like they are not all alone in that harsh beauty we call the Tankwa.

# Sanctuary

---

**Mon Apr 24, 2023 – Mon May 1, 2023**

Want to make magic with us?

Want to help fellow burners who are feeling overwhelmed with so much awesome?

There are different ways for everyone to help out the community through Sanctuary, which one will yours be?

# Volunteer Booth

---

**Mon Apr 24, 2023 – Sat Apr 29, 2023**

Ever wanted to spend some time at the nerve centre, and encourage people to sign up for shifts and help burners volunteer for what they want to do to make this event what it is?

Then this is the role for you!
